Docket No. A2012-29

**UNITED STATES POSTAL SERVICE NOTICE OF FILING CORRECTED  
ADMINISTRATIVE RECORD -- ERRATA**  
(December 16, 2011)

The Postal Service hereby gives notice of the filing of a correction to the complete administrative record supporting the Final Determination to Close the Glenclyff, NH Post Office and Establish Service by Rural Route Service. Due to a technological error, a page was left out of the set of documents that constitute Item No. 27c of the administrative record filed on November 7, 2011. The documents filed as Item No. 27c are described on the Official Record Index as Customer letter and Postal Service response. Item No. 27c should be three (3) pages long. However, only pages one (1) and three (3) were filed. Item 27c, page 2, was omitted. The copy of Item 27c, page 2, filed today should be inserted into the electronic version of Item No. 27c filed with the Commission, between pages 1 and 3. The Postal Service regrets the omission of the aforementioned page and submits that the filing of this correction to the record should not prejudice any party in this proceeding.

Respectfully submitted,

**UNITED STATES POSTAL SERVICE**
